Challenge

SER—Jobs for Progress National, Inc., (SER) is a national, private, nonprofit organization making a positive impact on families across America. Since its inception in 1964, SER has addressed the needs of economically challenged individuals in education, job skills training, literacy, and employment. SER's ultimate goal is to assist individuals across the country secure permanent, unsubsidized, and productive employment.

Did you know.....

SER National is in its fourteenth year of operating the **Senior Community Service Employment Program (SCSEP)** for the U.S. Department of Labor. SER SCSEP provides training opportunities for over 3,500 seniors, aged 55 years and older who have low employment skills in eight states across the country. SCSEP helps train or retrain seniors for employment, primarily in the nonprofit sector. Participants come from all walks of life, have diverse work experiences and possess various levels of education.

SER National is offering an **Early Head Start (EHS)** program to 72 children ages 0 to 3 in Dallas County. The bilingual early childhood education program, which serves children in need, was created after SER was awarded one of only five grants from the U.S. Department of Health and Human Services. The SER EHS program provides access to innovative, high-quality, culturally relevant and comprehensive services to low-income toddlers and their families, including children with disabilities.

SER National has been helping job seekers with the training necessary to land jobs in the retail industry through its **One Job at a Time** program. Training provided will help participants receive the National Retail Federation (NRF) Customer Service Certification, a National Work Readiness Credential (NWRC).

SER National offers the **SER MUJER** program. A program that has helped women with entrepreneurial dreams achieve those dreams. The program provides the opportunity for women to empower themselves via entrepreneurship training and development, with a particular emphasis on Latinas and women of color.

SER National offers **STEM/STEAM** training to youth in the Dallas-Fort Worth area with emphasis on Science, Technology, Engineering and Math (STEM), as well as the arts or STEAM.
